THE DAY OF ABSENCE

13 YEARS OF SERVICE

PRESIDENT OF THE UNIVERSITY CARL McCLELLAN HILL

In a way of tribute for his 13 years of inestimable service to Kentucky State University, the staff of the 1975 THOROBRED dedicate this annual to Dr. Carl McClellan Hill.

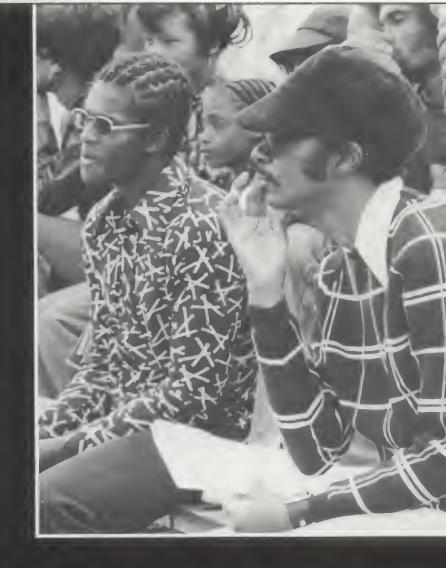

Dr. Hill, a native of Norfolk, Virginia earned the Master of Science and the Doctor of Philosophy degree in Organic Chemistry from Cornell University. He has served as assistant Professor at Hampton Institute, Associate Professor of Chemistry at A & T College of Greensboro, N.C., Professor and Head of Department of Chemistry at Tennessee. A & I State University in Nashville, Tenn. He left his position of Dean of Faculty, and of School of Arts and Science when he was appointed president of Kentucky State College.

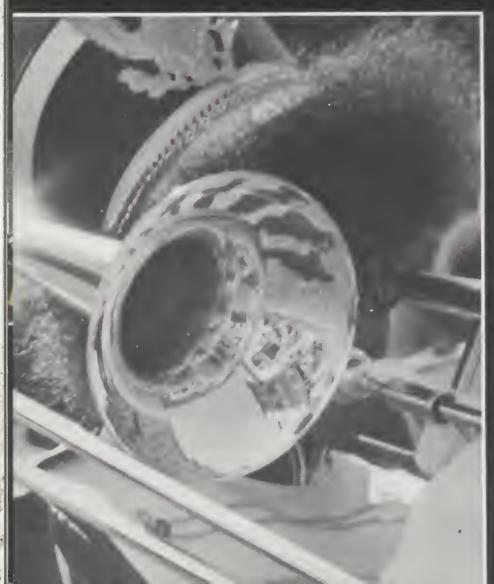

He is a man of many talents and responsibilities, each of which he fulfills in the highest, most admirable manner. He is a scholar, educator, gentleman, and perennial source of inspiration. Among his many accomplishments include member of the American Chemical Society, Kentucky Education Association, Omega Psi Phi Fraternity and Kentucky Commission on Higher Education. Also, Dr. Hill has been listed in Who's Who in America, American Men of Science and "Outstanding Educators of America."

It is indeed a sincere pleasure for the members of this year's THOROBRED to dedicate this edition to someone who shared his talents, wisdom, and understanding not only to a few students, but also to hundreds of students over the years. Thus, to Dr. Carl McClellan Hill, we very graciously dedicate this edition.

TRACK TEAM

There is an old adage that history repeats itself. The 1975 Kentucky State University track team is working hard to prove that adage true. With the N.C.A.A. Division 11 Championships scheduled for Sacramento, California in late May, Coach Gibson's crew is well aware of what happened when five Thorobreds invaded Sacramento in 1971. They returned to Frankfort with eleven All-American certificates, two individual N.C.A.A. Champions, the N.C.A.A. team championships and Coach Gibson was named the college division "Coach of the Year." The Thorobreds hope that the return trip to sunny California will be as fruitful as the trip in 1971. With the excellent caliber of athletes on this years' squad, there is justification for the prevailing optimism.

Returning is sophomore Randy Williams, who earned All-American honors as a freshman in the intermediate hurdles and Mellilo Abernathy, an All-American sprinter during the "73" season. Other veterans expected to contribute to the Thorobred efforts are hurdler Charles Taylor, quarter miler Arthur Williams, sprinter Willie Nichols, long jumper Carl Wood and distance runner Johnny Lloyd.

Among the freshmen expected to assist in the quest for another N.C.A.A. Championship are middle distance runner Frank Manners, Arvie Jones and Ronnie Giles, quarter miler Zack Brown and high Van Dorsey who has already established a new school record in that event.

Before the final assault on the N.C.A.A., the Thorobreds will use intermittent stops at Indiana, Illinois, Notre Dame, Ohio State, the University of Tennessee, Pennsylvania and Kansas to hone the edges.

1975 BASEBALL TEAM

Coach James Oliver's Kentucky State baseball team is primed and ready for what it hopes will be a banner year. The Thorobreds are coming off a 38-12 record which was the best in the school's history and every single player from that team plus a talented group of new recruits returned for this year.

The Thorobreds finished third in the NAIA District 24 Tournament last year and were ranked as high as seventh nationally among College Division teams at one point. Back to head the crop are senior third baseman Kevin Threatt and sophomores Michael Brown, shortstop, Fletcher Bearden at first base and mitchen Arthurs P. It was a property of the contract of the contr

first base and pitcher Anthony Roberson.

Threatt, Like 15 of the 28 players on this year's squad is from Detroit Mich. Last season, he finished second in the nation among NCAA Division II schools in hitting with a .445 batting average, led the country in runs batted in with 57 hits with 65 was fourth in doubles with 16.

Brown, whose stocky appearance at the plate greatly resembles that of the Oakland Athletics Reggie Jackson, finished the year in the top ten Nationally in average with a .392 mark, was third in RBI and second Nationally in home runs with 10 for the season.

Bearden rapped out a .371 batting average, had 12 doubles, eighth Nationally, and was third

Nationally in hits with 63, only two less than Threatt.

Roberson, despite being only a freshman, played like a vetern finishing the season with an 0.81 earned run avarage, best in the Nation. He ran up a 13-1 won-loss record and struck out 96 batters in his 100 innings of work. Other returning pitchers who fared well last year include senior Bonnie Harris who had a 5-1 record and 1.91 ERA, John Trigg 8-2 and 2.16 and Larry Adams 7-2 and 4.97.

Other top hitters include Cedric Collins 364, Jerome Williams .362, Greg Carter and Eddie Rid-

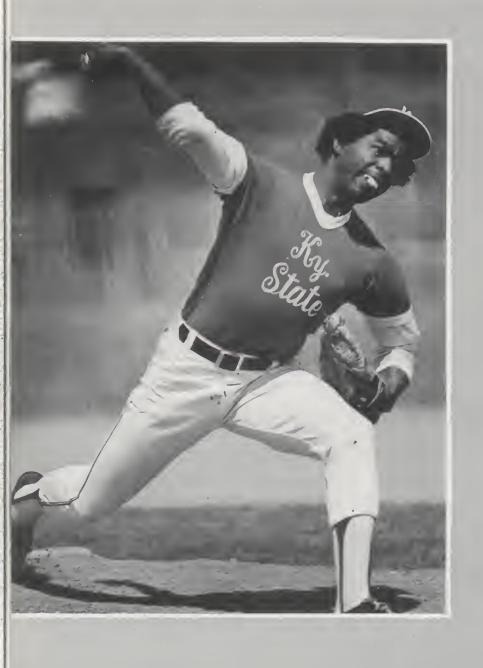

dle .333, Steve Ford .272, Earl McKigney .222 Rod Twyman and Kenneth Thomas .188.

The Thorobreds opened their 1974-75 baseball season by winning 15 of 16 games during the Fall segment of the schedule.

FOOTBALL

The Kentucky State Thorobred football team enjoyed a winning season in 1974 after suffering a poor season in 1973.

Standout defensive backs Frank Oliver and Royce McKinney were drafted by the San Francisco 49ers and the Baltimore Colts respectively.

The Thorobreds defensive line was led by Homer Byers - Cleveland Hudson, Kenneth Kelly, Elijah Stephens and Robert Sanders. The linebackers who played a great part in the success of the defense were David Barnett, Walter McClain, Theodore Butler and Curtis Snowden.

The Thorobreds offense was led by quarterback Jimmy Dixon and a strong running game headed by Larry Lock, B.J. Grooms, Kenneth Burns, Larry Scott and Mike Hughes. The passing game was greatly improved by Leonard Elston and Mike Thomas, a pair of speedsters at the wide receiver positions and tight end Melvin Sykes, who enjoyed his greatest year ever.

With most of the upper classmen returning and good recruitment, Coach Smith feels that the football program will turn and become a powerhouse.

Car Malia -

The long and difficult task of compiling the 1975 THOROBRED began in September, 1974. For six months a few dedicated members of the yearbook staff, under the editorship of Robert Byrd, labored to produce a yearbook which would be representative of the entire community of Kentucky State University.

The members of the yearbook staff wish to thank the students, faculty, and administration for their time and cooperation. We trust that you are satisfied with the end product; for it has been our pleasure as well as our duty to have assembled the 1975 THOROBRED for you.

As the last bit of copy is typed and the last picture is cropped and -ent off to the printer, the 1975 THOROBRED has become a reality for the future.

In the THOROBRED, my staff and I have attempted to give in overliview of Kentucky State University. We have endeavored to capture some of those very special moments that all of us enjoyed and none us want to forcet.

As editor, I wish to express my thank and sin ere appreciation to those individuals whose help was a special value. Also, my gratitude thanks to Mrs. Ethel McLendon (Advisor) and our photographer

To all Thorobreds, I present to you the 1975 THOROBRED as it. We the staff, are only a few and understand that everyone oesn't see everything the same; so, try to see it our way and next ar add a helping hand and your view point.
